JULY

THE STUFT PIZZA NEWSLETTER

## RED, WHITE AND BREW celebrations start at STUFT!

As we begin the month of July, our country proudly celebrates the 249th anniversary of our Independence. And kicks off the first full month of summer, perfectly crafted to enjoy food, family, friends and fun!

At STUFT we're all about celebrating anniversaries too! 20 years in historic downtown La Quinta and 11 (this month) at our Palm Desert location!

That said, it seems like the perfect time to thank our loyal customers - for without you - there would be no STUFT!
